

## Vacancy

# SAP Consultant

Our company is seeking a skilled SAP Consultant to join our team. The ideal candidate will have extensive experience working with SAP ECC 6.0 and SAP Business One, and will also have a solid understanding of the manufacturing industry. The SAP Consultant will be responsible for implementing, configuring, and customizing SAP solutions to meet our needs.

#### **Key Responsibilities and Accountabilities:**

- Collaborate with clients to analyse business processes and identify opportunities for improvement through the use of SAP solutions.
- Design and implement SAP solutions, including configuration, testing, and documentation.
- Develop and maintain project plans, timelines, and budgets.
- Provide training and support to clients, including end-users and management.
- Work collaboratively with other SAP consultants and project team members to ensure successful project outcomes.
- Stay up-to-date with the latest SAP technologies and industry trends.

#### **Qualifications:**

- Bachelor's degree in Computer Science, Information Technology, or related field.
- Minimum of 5 years of experience in SAP consulting, with a focus on SAP ECC 6.0 and SAP Business One.
- Strong understanding of the manufacturing industry, including business processes and best practices.
- Experience with SAP modules such as FI/CO, MM, PP, and SD.
- Ability to work independently and collaboratively with project team members.
- Excellent communication and problem-solving skills.
- SAP certification preferred but not required.

If you are a highly motivated individual with a strong background in SAP consulting and a passion for driving business success through technology, we encourage you to apply for this exciting opportunity.

Candidates with the relevant experience or job titles of: Engineer, SAP, Manufacturing Engineer, ERP, Construction, Engineering, Technology may also be considered for this role.

To apply for this role, please submit your CV and covering letter to the HR Department via email at [careers@bardenbearings.co.uk](mailto:careers@bardenbearings.co.uk)
